

**Pikesville High Sports Boosters(NEW)**

**Parents/Guardians of PHS Athletes/Students,**

**Please consider joining the Sports Boosters for the 2009-10 school year. Membership fees are used to support the cost of the athletic program at Pikesville High. Membership dues and fundraisers will be used to help support the athletic program with the purchase of new uniforms, athletic equipment and the awarding of the Sports Booster scholarship given each year. The Sports Boosters will be fundraising this school year to replace our stadium scoreboard and additional stadium improvements.**

**Meetings of the membership are held at the high school and the dates will be posted on the PHS web-site (pikesvillehs.bcps.org.) If you can volunteer to help with either of these projects, please call me at 443-742-1257**

**Sincerely,**

**Bruce Scherr, PHS Booster President**
