

Team Member Travel Permit

School: PIKESVILLE HIGH SCHOOL

Event: _____ Date of Event: _____

Small groups and individual students may be involved in an athletic contest or practice away from the site. Because it is impractical to use commercial transportation for the field trips involving several students, there may be circumstances when private automobiles may be used to provide transportation for the students. However, please be advised that the insurance coverage carried by the Board of Education of Baltimore County does not cover passengers in private cars.

Several options are available to transport these students to practice or contests, but your permission must be granted. If the practices or contests are near an existing bus route, the students may be dropped off at the practice or game site. Students who have \$100,000-\$300,000 liability insurance will be allowed to drive their own cars to practice or contests.

Please respond to all of these options and return to your son's/daughter's coach.
