

Pikesville High School  
2009-2010  
Mid-year Exam Schedule &  
1<sup>st</sup> Semester Finals

**Monday, January 25 - Thursday, January 28, 2010**  
**2<sup>nd</sup> Quarter and Semester ends January 28, 2010**  
**STARS Grade Reporting January 25- February 3 (9am deadline)**

Mid-year exams are required in all year-long courses. Final exams are required for all semester-long courses. Please adhere to the exam schedule below for mid-year and semester finals. Exams will be administered by subject area on designated days during the regular class period. Teachers should refrain from giving extensive homework assignments or other tests during exam period assigned to other areas.

If your exam requires additional testing time beyond the dates below, please consult with your Department Chair to identify dates prior to the close of the term for this additional testing time.

Please make arrangements with Kyle Martin, Special Education Chair, for extended time test administration for students with IEP's or 504 Accommodation Plans.

Exemption: The following courses are exempt from mid-year exam administration due to the short cycle/benchmark requirements.

- Biology, Chemistry, Earth Science, Concepts of Physical Science (COPS), & Physics
- Algebra I, Algebra & Data Analysis
- American Government
